This right to appeal is to the BOM in the first instance and to the Secretary General of the Department of Education under Section 29 of the Education Act 1998.

School with Special Education Class(es)

Categories of Special Educational Needs Catered for in the School/Special Class

Cashel Community School is a School which has established classes, with the approval of the Minister for Education, which provide Education exclusively for Students with a category, or categories of Special Educational Needs specified by the Minister, and may refuse to admit to the class a Student who does not qualify under the category of needs specified.

Cashel Community School with the approval of the Minister for Education, has established classes to provide Education exclusively for Students with Autism Spectrum Disorder (ASD).

Cashel Community School will cooperate with the National Council for Special Education in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 relating to the provision of education to children with special educational needs, including in particular by the provision and operation of a special class or classes when requested to do so by the Council.

Cashel Community School will comply with any direction served on the patron or the board, as the case may be, under section 37A and any direction served on the board under section 67(4B) of the Education Act.

All Applicants must have an assessed primary diagnosis of Autism/Autistic Spectrum Disorder. The assessment must be in line with the established DE criteria of DSM-IV or DSM-V or ICD-10. All Applications must be accompanied by an assessment, carried out by

an Educational/Clinical Psychologist approved by the DE, recommending the Applicant as suitable.

A prospective Student for the ASD Unit must have a professional recommendation, from a NEPS Psychologist, Clinical Psychologist, Educational Psychologist, Psychiatrist, or from a multidisciplinary team (Clinical Psychologist, Occupational Therapist, Speech and Language Therapist, Social Worker, and/or Physiotherapist), for placement in an autism specific class in an ASD Unit. All Applications on a Child should be provided to the School for assessment by the Admissions Team/BOM. The withholding of such reports from the BOM may invalidate an enrolment Application at any time.

Autism Spectrum Disorder Unit (ASD) Admissions Policy

This Policy is set out in accordance with the provisions of the Education Act 1998, the Education (Welfare) Act 2000, the Education for Persons with Special Needs Act 2004, and the Equal Status Act 2000.

This Policy must be read in conjunction with and is part of the overall Student Admissions Policy for Cashel Community School.

The ASD Unit is funded and resourced by the Department of Education (DE). The BOM of the School has the responsibility for the ongoing management of the ASD Unit, having regard to the funding, resources, services, and space available.

The aim of Cashel Community School is to offer a positive meaningful Educational experience to the Student that allows her/him to develop to their full learning potential, in an environment that offers clarity, predictability, and calmness. After a period of time observing, assessing and interacting with the Student, an Individual Education Plan will be developed following consultation with Parents/Guardians and with other relevant professional Staff (e.g. NEPS Psychologist, Teacher(s) of Special Educational Needs, Occupational Therapist, School Principal/Deputy Principal, etc.) as deemed appropriate.

The aim of the ASD Unit is to offer a specific learning environment within a mainstream Post-Primary School. This setting facilitates optimum inclusion as part of the School community with access to mainstream Educational activities that are available and that are deemed appropriate to the ongoing Education of the Student.

Parents/Guardians should note that the allocation of a place in the ASD Unit does not guarantee a place in the mainstream Post-Primary classes for any siblings.

All Applications for enrolment in the ASD Class will be considered within the context of the School's Admission Policy.

Application Process to ASD Unit

The process begins with a referral from a recognised, relevant external agency or a telephone call or a visit in person to Cashel Community School by a Parent/Guardian.

An enrolment Application form, a copy of which is available from the School, should be fully completed and submitted by the Parent/Guardian on behalf of the Applicant. The closing date for receipt of such completed Applications by the School is the same as Cashel Community School Admissions Policy.

This Enrolment Application Form should be accompanied by an original Birth Certificate of the Applicant and accompanied by all the up to date and pertinent Educational psychological assessment(s) and diagnostic report(s). The Enrolment Application form must also be accompanied by School Reports and relevant documented information from all previous Schools that the Applicant attended.

Fully completed Enrolment Application Forms are then recorded in the School Applications file. Entry on to Cashel Community School Applications file secures a place on the list of Applicants only. Only Applications that then meet the criteria for enrolment, subject to available space and maximum Student numbers, will be considered.

One of the following original documents, as proof of address within the catchment area must accompany the application for enrolment - ESB (or alternative provider) bill, Gas bill, Landline telephone bill, or Television supplier bill.

The advice, support, and recommendation of the Special Educational Needs Organiser (SENO) for the area/region, based on the needs of the Applicants, will be considered in the decision-making process associated with enrolment of Applicants in the ASD Unit at Cashel Community School.

It is important that Parents/Guardians note that Cashel Community School may in certain clarified circumstances and following an assessment and investigation, be unable to meet the

special Educational or physical needs of the Applicant on the grounds that admission of the Applicant will make impossible, or have a serious detrimental effect on, the Education provision by Cashel Community School as an Educational establishment of its services to other.

All recommendations will then be considered by the BOM of Cashel Community School who make the final School decisions on all Applications to enrol.

Where the number of Applicants on the applications file exceeds the number of places available, the following ranked criteria will then apply to all applications received:

- a) Students already attending Cashel Community School who met the admissions criteria at the time of enrolment but chose not to avail of a place in the ASD unit, and instead attended mainstream classes, or
- b) Students already attending Cashel Community School who received an ASD diagnosis subsequent to their enrolment.

In both instances placement is subject to ratification by the SENO.

- a) Applicants attending the recognised feeder Schools
- b) Applicants with siblings already enrolled in Cashel Community School
- c) Applicants not attending the feeder Schools but for whom this ASD unit would be the nearest facility to their home residence.

Parents/Guardians should note that where the number of Applicants at any stage of the criteria numbered above exceeds the number of spaces available within that criterion, then the date of birth of the Applicant will be considered with priority being given to the oldest applicant within that criteria level, and continuing thus forth until all places are filled. If two or more Applicants share the same date of birth, then places will be allocated on the basis of the date that fully completed Student Application Forms were recorded (date wise) in the Applications file.

Parents/Guardians Should Note

The Parents/Guardians of a Child being offered a place in the ASD Unit will be invited to visit the School to meet with a Member of the Special Education Team and the

Principal/Deputy Principal of the School, to discuss the placement/enrolment of their Child. Any information requested by the Parent/Guardian will be provided at this meeting.

The Parents/Guardians may be requested to consent to a visit by a Member of the Special Educational Needs Professional Staff at Cashel Community School, to visit the existing School placement of the Student concerned in order to observe the Student in a classroom situation. Staff will also meet with the Principal and any relevant Personnel involved in the Student's Education to that point.

The Parents/Guardians will be invited to accompany their Child to visit Cashel Community School ASD Unit and meet Staff.

The Parents/Guardians are also invited, after the acceptance and placement of their Child in the ASD Unit, to be consulted about the Education Plan for their Child.

The NEPS psychologist and SENO will be appraised of the Education Plan.

A Child may be phased gradually into the Special Class in the ASD Unit through a mutually agreed process between Parents/Guardians and the Management of the School.

Where it is deemed appropriate, a Student in the ASD Unit will be assigned, by School management to an age-appropriate mainstream class for integration purposes.

Students currently enrolled in an ASD Unit in another Post-Primary School will not be considered for transfer enrolment at Cashel Community School ASD Unit during the course of the School academic year.

Students enrolled in an ASD Unit in another Post-Primary School will not be considered for transfer enrolment at Cashel Community School ASD Unit at the end of a School academic year, unless the family has moved residence into the catchment area of Cashel Community School.

Parents/Guardians must note Cashel Community School respects the right of the existing School community and the Students already enrolled therein, and this consideration is paramount when assessing entry to the ASD Unit.

The placement of every Student within an ASD Unit will be subject to regular review by the school Staff and where appropriate the professional services external to the School, following which decisions will (i) continue within the ASD Unit at Cashel Community School, (ii) integrate fully into the mainstream Post-Primary, or (iii) seek an alternative and more

appropriate Educational placement for the Student as Cashel Community School is unable to meet the Educational needs of the Student. In such an instance the support and assistance of the Staff at Cashel Community School will be available to assist the Family in securing a more suitable learning environment in another Educational Institution, for the Student concerned.

Children with Special Educational Needs may display difficult, defiant, or oppositional behaviours. All efforts will be made by Staff at the School to manage such behaviour using various strategies and through the implementation of the Student's Individual Educational Plan. All Students including those with Special Educational Needs are subject to the School's Code of Behaviour/Discipline, and the terms of the Health and Safety Statement adopted by the BOM at the School. The BOM at Cashel Community School reserves the right of admission and to refuse to enrol a Student, within the terms of this Policy.

Parents/Guardians of Applicants who are refused admission to Cashel Community School will be advised of their right to appeal the matter to the Secretary General, DE under Section 29 of the Education Act 1998.

This Policy is subject to periodic review by the BOM of Cashel Community School.

The School will apply to the National Council for Special Education (N.C.S.E) and for resources for Students with Special Needs in accordance with agreed procedures and deadlines.

Parents/Guardians should note that under the official DE guidelines, the number of Student places available in the ASD Unit at Cashel Community School is a maximum of 12 students. It should be noted that fulfilling the enrolment criteria does not necessarily guarantee the Student a place in the ASD Unit.

The BOM requires that Parents/Guardians must accept that the enrolment process only proceeds where the Educational and physical needs of the Applicants as identified can be met within the ASD Unit.

The Parents/Guardians of the Applicant must accept and agree to Cashel Community School Code of Behaviour/Discipline and the terms of this Policy.

The ASD Unit at Cashel Community School will only cater for Children that are 12 years or more, and less than 18 years of age, on the 1st of September of the School year in question.

The Parents/Guardians of a Child being offered a place in the ASD Unit will be invited to visit the School to meet with a Member of the Special Education Team and the Principal/Deputy Principal of the School, to discuss the placement/enrolment of their Child. Any information requested by the Parent/Guardian will be provided at this meeting.

The Parents/Guardians may be requested to consent to a visit by a Member of the Special Educational Needs Professional Staff at Cashel Community School, to visit the existing School placement of the Student concerned to observe the Student in a classroom situation. Staff will also meet with the Principal and any relevant Personnel involved in the Student's Education to that point.

The Parents/Guardians will be invited to accompany their Child to visit Cashel Community School ASD Unit and meet Staff.

The Parents/Guardians are also invited, after the acceptance and placement of their Child in the ASD Unit, to be consulted about the Education Plan for their Child.

The NEPS Psychologist and SENO will be appraised of the Education Plan.

A Child may be phased gradually into the Special Class in the ASD Unit through a mutually agreed process between Parents/Guardians and the Management of the School.

Where it is deemed appropriate, a Student in the ASD Unit will be assigned to an age-appropriate mainstream class for integration purpose by School management.

Parents/Guardians must note Cashel Community School respects the right of the existing School community and the Students already enrolled therein, and this consideration is paramount when assessing entry to the ASD Unit.

The placement of every Student within the ASD Unit will be subject to regular review by the School Staff and where appropriate the professional services external to the School. Arising from this review decisions will be made as to whether a Student should,

- a) continue within the ASD Unit at Cashel Community School
- b) integrate fully into the mainstream Post-Primary, or
- c) seek an alternative and more appropriate Educational placement for the Student as Cashel Community School is unable to meet the Educational needs of the Student. In such an instance the support and assistance of the Staff at Cashel Community School

will be available to assist the Family in securing a more suitable learning environment in another Educational Institution, for the Student concerned.

Children with Special Educational Needs may display difficult, defiant, or oppositional behaviours. All efforts will be made by staff at the School to manage such behaviour using various strategies and through the implementation of the Student's Individual Educational Plan. All Students including those with Special Educational Needs are subject to the School's Code of Behaviour/Discipline and the terms of the Health and Safety Statement adopted by the BOM at the School.

The BOM at Cashel Community School reserves the right of admission and to refuse to enrol a Student, within the terms of this Policy. Parents/Guardians of Applicants who are refused admission to Cashel Community School will be advised of their right to appeal the matter to the Secretary General, DE under Section 29 of the Education Act 1998.

Declaration in Relation to the Non-Charging of Fees

This rule applies to all Schools.

The board of Cashel Community School or any Persons acting on its behalf will not charge fees for or seek payment or contributions (howsoever described) as a condition of-

- (a) An Application for admission of a Student to the School, or
- (b) The admission or continued enrolment of a Student in the School.

Note: Exceptions apply only in relation to fee charging Post-Primary Schools, the boarding element in Boarding Schools and admission to post Leaving Cert or Further Education courses run by Post-Primary Schools.

Arrangements Regarding Students Not Attending Religious Instruction

Cashel Community School offers religious Education in all year groups as it promotes the holistic development of Students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks and in the spirit of the Deed of Trust. It facilitates the intellectual, social, emotional, spiritual values, and moral development of Students and encourages respect for all Members of our School communities. In addition, religious Education supports the ‘multi-denominational’ aspect of our School’s ethos as it provides opportunities for Students to engage with questions around their own religious or non-religious beliefs and those of their Peers.

In this context it is important to understand the distinction between ‘Religious Education’ and ‘Religious Instruction’:

- a) Religious Education is open to all Pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all Students equally.
- b) Religious Instruction is instruction in accordance with the rites, practices, and teachings of a particular religion or denomination for Pupils of that religious tradition.

Given that Religious Education, as distinct from Religious Instruction, is timetabled across our School at all Levels the legal requirement to advise of the option to opt-out of religious instruction does not arise.
